

PREMIERE PLASTIC *Cards*

Why Plastic Cards?

- They act as a mini-billboard in a consumer's wallet.
- They have a higher perceived value and last longer than their paper counterparts.
- They encourage repeat business and brand loyalty.

NAVITOR™
Smart Printing. Smart Business.

BUSINESS CARDS / MISC CARDS

Consumers view plastic cards as more valuable and in turn keep them longer - so hand out your business card on a plastic card and be remembered! Make your recipient feel even more valued with a VIP or Preferred Customer plastic business card.

TIP: Add value to your business card by placing special offers, a calendar or local sports schedule on the back.

ORDERING INFORMATION

Copy Changes for One Color Imprint

Any copy change is subject to a \$40.00(R) charge per change. The minimum catalog quantity of 250 is required for each change. Logo, location and ink colors must remain the same. Two-full color must be quoted.

Catalog Pictures

Samples and logos shown in this catalog appear only to illustrate the products and ability to include messages and art, but are not intended for use without the permission from the trademark, copyright, art or copy owner.

Card Stocks

All plastic card stocks are subject to scratches, however scratches will appear more distinctive on clear and black stocks. Customer agrees to accept the finished product regardless of amount or clarity of scratches. If a stock is not shown, please contact your customer service representative for pricing and availability of other stocks. If the color you are looking for is not available, we offer you the option to flood coat any solid color background on a white 24 or 30 mil stock to give the appearance of a colored stock. **Note: outside edges of card will not be colored.**

4 Color Process

All prices are based on received digital art files saved per our guidelines. If artwork needs adjustment, additional charges will apply. See page 8 for art specifications.

Ink Colors

Ink colors can vary slightly. Due to the nature of plastic material, ink colors will vary from those printed on standard paper stocks. Light and pastel colors typically have a greater variation. Inks printed on colored plastic or solid backgrounds will also have a greater tendency to vary slightly. Due to our production process, we do not guarantee exact color matches, however, we will attempt to come as close as possible. **Note: For reorders and large quantity orders, ink colors may vary from original.**

Bleed

A bleed is a printed image that extends off the edge of the Plastic Card.

Heavy Ink Coverage

Heavy ink coverage is any concentration of ink in a given area. Also applies if there are three or more bleeds.

Proofs

Black and white proofs are free of charge for orders 2500 cards +. If a proof is wanted on any other order a \$12.00 (R.) charge will apply for each proof. Press proofs are also available and are billed as an actual order of the minimum quantity less 10%. Once a proof has been signed and approved, the customer is responsible for any errors that may have been overlooked as well all cost incurred after proof approval. It is understood that the producing facility is not responsible for errors overlooked on an approved proof.

Production & Delivery Time

Standard Plastic Card production time is 7 working days for quantities up to 5000. For quantities above 5000 please call in for a quote. For any additional services listed on back flap, allow up to 14 days production time. Production time starts as soon as artwork or proofs have been approved. Rush orders are subject to a fee totaling 5% of the total order per rush day and are based on production availability. Please contact your customer service representative.

Special Packaging

If special packaging, such as shrink wrapping and banding is needed, please request a quote.

Overages & Underages

Due to standard printing requirements, we reserve the right to ship 10% over or under the quantity ordered. This will be considered as fulfillment of the order and will be billed accordingly.

Rights to Promotion

We reserve the right to use all products in our advertising and displays unless otherwise specified in writing at the time of the order.

Damaged or Misprinted Items

All claims must be made to the producing facility within 30 days of invoice with no exception.

Prices

Any orders for an in-between quantity will be billed at the lesser quantity price per piece ordered, unless custom quoted. If a quantity that is not mentioned is needed, please call for a quote.

PRICES AND MATERIALS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL ORDERS ARE SUBJECT TO FACILITY APPROVAL. SHADES OF PLASTIC AND INKS VARY FROM ORDER TO ORDER AND FROM PROOF TO ORDER.

1. Create one item sized correctly per document. All supporting graphic file(s) used within your layout must be sent along with the layout file, placed at 100%. Submit black and white bitmap images at 600 dpi; CMYK and grayscale images at 300 dpi, sized at 100%. *For I.D. Cards send artwork 600 dpi in a tiff RGB format only.
2. Convert all text "to curves" or "create outlines" in your files. Never use the stylization palette to bold, italicize, add drop shadow to or put outline on your fonts. If you are using fonts not owned by Navitor, outlines must be created in an illustration program before submitting your artwork.
3. A 1/8" (.125") bleed is required on all sides. Please make sure the text still maintains the required margin even when graphics bleed.
4. Artwork must have the position and color separations noted in the special instructions, or a sample must be attached. Text should be within a 1/8" (.125") margin on all sides.
5. If any corrections are made to the art or typesetting, a minimum art charge of \$60/hr (net) will apply. We will quote the charge and request approval before re-drawing art.
6. We can accept your files on 3.5" floppy disks, 100MB Zip disks, CD-Rs, DVDs or on-line at Navitor.com. If you choose to e-mail your files to orders@navitor.com, please submit them with your account number on the subject line to avoid delays on your order.
7. DO NOT send us the only copy of your file. The disk or file could be lost or damaged in the mail. A copy of the original is preferred.
8. Please visit **Navitor.com** for further information on submitting files. Electronic templates are available upon request.

Preferred
Method

PDFs - Macintosh or IBM Compatible

1. All fonts must be embedded.
2. All elements of the file must be colored per our guidelines.
3. All placed graphics and images need to be high-quality, colored according to our guidelines for the product ordered. Whenever possible, place vector images into the layout before converting to a PDF. Please be aware that when changes need to be made to placed images (coloring, mode, etc.), there is the possibility of the quality being compromised.
4. Please name the PDFs you send without punctuation of any kind (except pdf), and keep the file names short.
