

# LABELS WORK FOR YOU EVERY DAY

## IN THE WAREHOUSE

## IDEAS & OPPORTUNITIES

- Shipping labels list all logistic details needed in the warehouse, as well as handling and unboxing instructions
- Blank thermal transfer and blank direct thermal labels allow the warehouse to print on them as needed
- Barcodes, QR codes, consecutive numbering and variable data are used for inventory management
- Labels accurately communicate identity and quantity of boxes and reinforce critical safety procedures for warehouse employees

## WHY LABELS?

LOW MINIMUM QUANTITIES  
VERSATILE CREATIVE  
QUICK TURNAROUND TIMES  
BUDGET FRIENDLY • IMPACTFUL
