SAMPLE PRICING

## What does a sticker sheet cost?

### *Here's a real example to give you a ballpark.*

This 4.625" x 8" sheet with 10 die cuts ranges from about $0.933-$2.223 per sheet depending on quantity.

Every project is a little different, so pricing will adjust based on your specs - but this gives you a solid starting point.

Code (P)

| Quantity | Est. Price/Sheet | Retail Price |
|---|---|---|
| 250 | $2.223 | $558.60 |
| 500 | $1.411 | $705.60 |
| 1,000 | $0.933 | $993.30 |

*Pricing varies based on size, material, number of cuts, and finishes. Printing on liner is also available.*
*Pricing effective 10/1/2026.*
